**Be sure to try our innovative technology options for all of your flavor needs**

- Emulz™ – utilizes a new high pressure natural emulsion technology without the use of additives.
- Isoz™ – applies our patent pending technology to isolate the essential attributes from herbs, spices, fruits and vegetables.
- Peelz™ – utilizes citrus peels as an innovative delivery system for our flavors. Available in a variety of particle sizes.
- Tropicals – 100% natural, GMO free, and produced from fresh, ripe, carefully selected fruit.
- Oak – essences and extracts that can add layers of deep, rich flavor to a wide array of products.
- Smoke – bold, woodysy flavor that adds depth and nuance to any flavor experience.
