

PEELZ[®] PLANT-BASED FLAVOR CARRIER

Transparently Delicious[®]

PRODUCT HIGHLIGHT

Peelz[®] is a plant-based flavor carrier system that upcycles citrus peels to create label friendly natural flavor granules with very minimal processing.

Deliver your flavors naturally with Peelz[®] from Flavor Producers. Building off nature's ingenuity, Peelz[®] is a plant-based flavor option that upcycles citrus peels to create a label friendly natural flavor carrier with very minimal processing.

Through our unique patented and proprietary flavor technology, we are able to infuse liquid flavors onto the dehydrated rinds of citrus fruits then pass them through a cold blending process to ensure consistent flavor distribution and standardized particle sizes. Peelz[®] flavors are fully customizable and can be tailored to your ideal flavor needs.
